All delegates should be aware that in the interests of developing awareness of NOTA to a wider audience, there may be members of the media attending the conference. Delegates are reminded that only the NOTA Chair, or those specifically delegated, may speak on behalf of NOTA. Members of the media will be invited to attend all plenary sessions, but access to workshops will only be by prior consent of both presenters and delegates attending the workshop concerned. All access to conference by members of the media must be agreed in advance with the Conference Press Officer. All journalists will be issued with special media badges that must be worn at all times.
